Dear Parents/Caregivers

February, 2018

Secondary school students can attend **Homework Help** if they need help with their homework. Students may need help to read their questions, find a library book, write their answers, or just time to use a computer by themselves.

Sessions begin Week 4, February, 2018 and will be held on:

- **Wednesdays after school (from 3:05 to 4:05pm)** in the **Resource Centre**
- **Thursdays after school (from 3:05 to 4:05pm)** in the **Resource Centre**

Students will be supported by School Services Officers. Teachers will be on-site to provide duty of care.

Students must bring their question sheets and textbooks/notes and their first drafts of their written work for editing.

They should come to Homework Help from the time the work is set, not wait to ask for help the day before the assignment is due.

Students need a signed consent form to attend after school sessions and will attend only if they have a problem with their homework that they are not able to get help with at home.

Only one consent form is needed for 2018. Signing the consent form below will give your child permission to stay until 4:05pm on Wednesdays and/or Thursdays when they need help only. Please return the form below if you give your child permission to attend this year.

Thank you,

Miriam De Souza
School Services Officer

Please return the consent form below to Miriam De Souza or Paul Bates or the School Office.
