Suggested Accessories	Protective Cover & Headphones
Other Recommendations	2kg Maximum Weight Extended Warranty Accidental Loss or Damage Insurance

Plympton International College is moving towards a Windows based environment and we recommend devices using the Windows Operating System, as such we do not recommend Apple devices.

* We do not allow Android or Chrome book devices.

Students are required to fully charge their devices at home (due to WHS concerns students are not permitted to use their chargers at the College).

Warranty Agreements and Insurance Options : Plympton International College recommends families consider extended warranty agreements and insurance options, particularly in regards to replacement or repair of faulty or damaged units and the use of anti-virus software for use of the device off-campus. It is also recommended that families supply a protective cover for BYOD devices.

Software Application Specifications : The device must have a web browser, word processing application, a spreadsheet application, PDF reader. Microsoft applications and tools are all available for **free** as every student Plympton International College is eligible to access Microsoft Office 365. For information how to do this please see the BYOD Information Pack. For other recommended software please see list on next page.

Recommended software to install on your devices

Google Chrome - <http://bit.ly/1Al1dpg>

Adobe Reader - <http://bit.ly/1udabwk>

Adobe Digital Editions - <http://adobe.ly/1xPv3hl>

Firefox - <http://mzl.la/1heu2Ys>

Flash Player - <http://adobe.ly/1bZLFM9>

iTunes - <http://bit.ly/1uLPggH>

Java - <http://bit.ly/1ifyW8R>

QuickTime Player - <http://bit.ly/11j5f2q>

Shockwave - <http://adobe.ly/1gy5Dep>

VLC Player - <http://bit.ly/1vryj5C>

Microsoft Office365 – <http://learnlink.sa.edu.au>

These applications and tools are all available for **free** as every student Plympton International College is eligible to access Microsoft Office 365. For information how to do this please see the BYOD Information Pack.
